# BAILEY LODGE

**Location:** Star Lake, Adirondack Mountains, close to Tupper and Saranac Lakes, 90 minutes from Lake Placid

**Accommodations:**

**Lodge/Apartment/Lakeside Lean-To, 7 Bedrooms, 5 Baths, Sleeps 14**

Bailey Lodge is one of the finest camps in the Adirondacks. Situated on a very secluded waterfront lot with large white pines surrounding the property. The lodge has been completely updated July, 2005 with designer furnishings and completely new kitchen. A large screened porch surrounds the lodge which overlooks the lake, hardwood floors throughout, 2 large fireplaces, gorgeous décor with Ralph Lauren Leathers to antique oriental rugs, and the finest in beddings.

Relax on the screened porch and enjoy an Adirondack sunset overlooking the lake. At night have a large campfire at the waterfront and listen to the loons throughout the evening. The seclusion and amenities insures for a very relaxing stay. The carriage house located at the entrance to the property has a separate 1 bedroom apartment with a living/dining area and full kitchen and bath. The Lakeside enclosed Lean-To offers a Moroccan style bedroom with a king bed for a romantic atmosphere.

Star Lake is a spring fed lake with 4.6 miles of shoreline. The lake is known as the "Gem of the Adirondacks" and is located in a small community close to Tupper and Saranac Lakes. It is about a 90 minute drive to Lake Placid and 60 minute drive to the Thousand Islands. Included are the use of 3 kayaks, paddle boat and canoe. You can swim from the dock which is directly in front of the house in the crystal clear water.

One of the most unique settings is having dinner in the formal dining room surrounded by French doors with a panoramic view of the lake. Also, you may enjoy great, casual dining in the Adirondacks, all located within convenient driving time.
